

In order to make a positive difference in our neighborhood we are going to have to take some initiative. Before making any calls, please remember to say you are with the Parklawn Civic Association.

After you fuss, notify us...

1. Please call zoning and report the problem. 703.324.1300 or visit www.fairfaxcounty.gov/dpz/ecomplaints
2. Please email or call PCA and tell us what you reported Parklawncivic@verizon.net or 703.508.8320

Info needed when you report a violation:

- Address of house
- Details of problem
- License plates of cars at address
- TIME BEST FOR ZONING TO VISIT HOUSE

We will keep track of all reports and follow up with zoning on a regular basis. They have asked us to only send 10 addresses at a time for updates. We cannot call on individual cases—you must do that.

Following Up:

If you are following up on a previous report, call us first to see if we have an update. If we do not, you will need to call zoning for the update—they only want first hand information. They do not release any of your personal information. Please contact us once you get an update so we can keep track of the situation.
