

Music in the Park 2010 A Community Celebration

About the Music in the Park Benefit 2010

The Parklawn Civic Association, in cooperation with the Fairfax County Parks and Recreation Department, is pleased to present the 1st Annual Music in the Park Benefit for Glasgow Park on Saturday, June 12th from 11:00 am – 4:00 pm. Rain date is Sunday, June 13th.

The goal of this event is to put Glasgow Park on the map and make area neighborhoods aware of our park. We want to increase the use of our park by parents and make it a park that is a *destination* park. Any funds we raise from this event will be used towards the purchase (with park authority approval) additional play equipment.

Vendors who support our event by contributing will be helping revitalize Glasgow Park and enhance a sense of community.

The one-day event offers all day musical entertainment from local bands and musical groups, including the Orchestra, Band and Chorus from Glasgow Middle School. The Music in the Park Benefit 2010 will also showcase area restaurants. Tables located throughout the festival site will feature a variety of arts and crafts, commercial items, quality imports, prepackaged food, farmer's market, and home and lifestyle goods/services. Professional artists will offer henna body art and temporary tattoos. There will also be moon bounces and face painting for children. We will also have a number of local non-profits showcasing their organization, and appearances by several regional elected officials.
